

TL1346

Hydraulic Drive

Engine Controls on Mover

74HP Hatz Diesel

Hanger Bearings

HYDRAULIC DRIVE.

No drive shaft, no cumbersome belts or pulleys. The suspended auger flighting features hanger bearings making it **our safest, quietest auger ever.**

HIGH CAPACITY.

The 13" is our largest truck load to date. Its heavy duty frame and unique hopper options mean **more capacity than ever.**

DIESEL POWER.

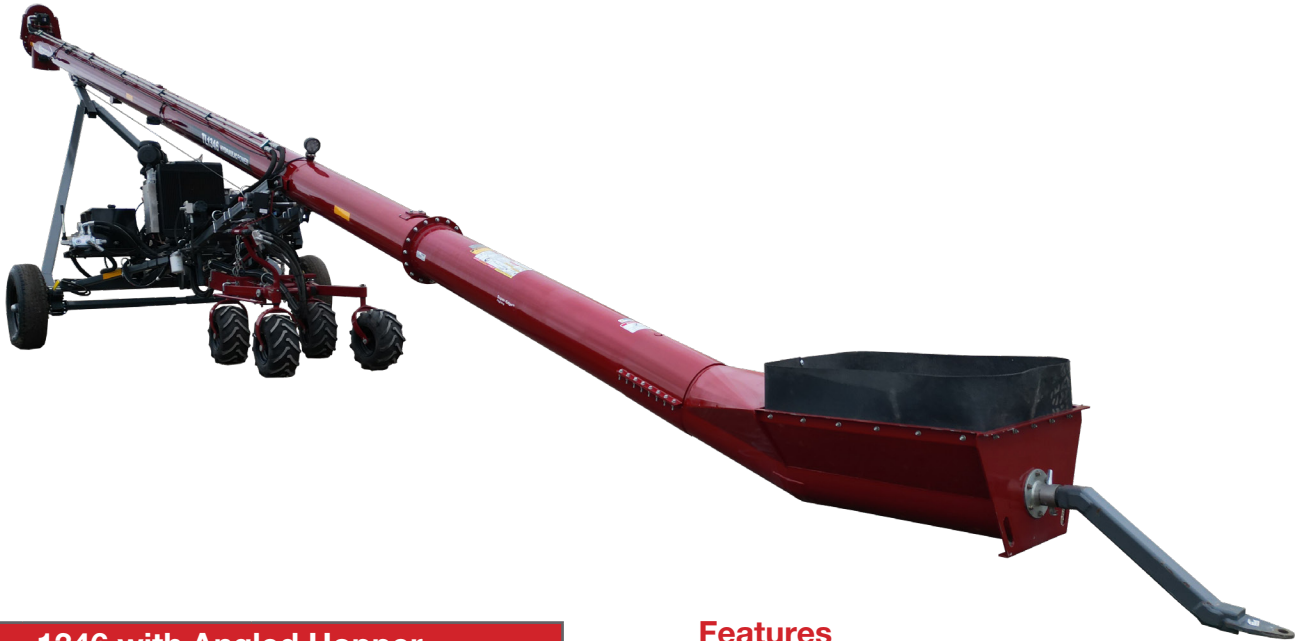

The 1346 features a **74HP diesel engine** that is sure to keep up with the high demands of any farm.
