

ARCHWALL BUILDINGS POTATO & ONION STORAGE

MERIDIAN ARCHWALL BUILDINGS - BEST IN AGRICULTURAL

Our storages and systems offer the most comprehensive performance available for your products.

Ventilation is the most important factor for maintaining correct temperature, relative humidity, and air quality in the storage with our Meridian Archwall storage properly insulated and sealed it maintains the environment required to keep your stored product healthy.

AGRICULTURAL STORAGE

MERIDIAN ARCHWALL BUILDINGS POTATO & ONION STORAGE

FOOTING CHANNEL

Anchored to the foundation using a revolutionary die-formed footing channel it's the most practical method available on the market today. This method offers greater ease of construction and future expansion. It's this unique system that allows for the use of larger wall and roof panels, ensures watertight seams and maintenance-free performance.

ARCHWALL SIZES AVAILABLE

51', 62', 68' width
