

# STORAGE POD

## Introducing Meridian's NEW SP-400 Storage Pod

Meridian's newly redesigned Storage Pod is the best solution for temporary bulk seed storage. The Storage Pod will hold virtually any type of seed and it's weather tight so you can rest easy knowing your seed is safe. It is designed to conveniently deliver and store seed. The Storage Pod enables seed to be stored early and delivered on time to meet the demanding schedule during planting season, providing better service to your customers. These are just some of the innovations designed to help improve the operational efficiency on your farm and business. **Meridian, First in innovation, First in Industry.**
