FUEL TANKS

# PEOPLE.

The driving force at Meridian Manufacturing is the committed ingenuity of employees and dealers, as well as relationships built with our valued customers. Our team takes pride in the work we do and are committed to delivering innovative and reliable storage and handling products.

# PRODUCTS

For Meridian Manufacturing, integrity means setting standards in product and service excellence. As a proven industry leader, our commitment to product innovation and customer support is our greatest pursuit.

# PERFORMANCE

Our people and products deliver quality performance for you and your operation. We believe that when you are successful, so are we.

# ENVIRONMENTALLY PROTECTED FUEL STORAGE

## POWDER COATED. DOUBLE WALLED. BUILT TO YOUR NEEDS.

Whether you have small or large fuel storage needs, Meridian offers a wide range of above-ground tanks that are engineered to meet your demanding requirements. Meridian fuel tanks exceed the needs of many industries providing sensible, smart and robust solutions for storing petroleum products on farm, at bulk fuel plants, fleet re-fueling facilities, and many other applications. Meridian uses proven engineered steel design and certified fabrication in quality controlled shop facilities to provide dependable, secure, built to the highest standards storage tanks.

All of Meridian's steel is from recycled and once the tank life cycle ends can be recycled.

**MERIDIAN'S PRE-ENGINEERED PREMIUM POWDER COAT FINISH** (MPS-1000) has a Salt Spray Rating of more than 2,000 hours, 3-4x more than wet paint standards. The superior adhesion and smooth, long-lasting finish of polyester coating ensures that Meridian Fuel Tanks will be incredibly durable and will stand the test of time. Meridian's exterior finish is backed by our 2 Year Paint Warranty.

# STANDARD FUEL TANKS

**MERIDIAN HORIZONTAL FUEL TANKS**  
ARE THE **SAFE, RELIABLE** AND  
**CERTIFIED** WAY TO STORE FUEL.

Meridian tanks are ideal for a variety of fuel commodities. Our double wall secondary containment tanks prevent costly leaks and provide environmentally friendly safe storage. Meridian's exclusive powder coat outperforms standard paints with superior corrosion resistance, durable weather protection and a clean look for decades of trouble free service.

Meridian has a great selection of double wall fuel tanks to meet your bulk storage needs. These larger fuel tanks save you money by allowing you to buy larger volumes of fuel strategically throughout the year and minimize price volatility.

Custom Split Tanks Available

**Larger capacity  
Horizontal Tanks and  
Single Wall Tanks  
available upon request**

**Vertical Single &  
Double Wall Tanks  
available upon request**

## STANDARD FEATURES:

- CAN- ULC-S601-14 Approved
- National-Provincial Fire Code Compliant
- 100% Secondary Containment
- Emergency Vents
- Spare Openings for future use
- Ladder & platform combo
- Tank side dip stick holder & dipstick
- Powder coat finish

## OPTIONS

- High Volume Pump & Meter Packages – Fill Rite or FE Petro
- Hose Retractors - OPW
- Meco Audible Overfill Alarms
- Split Tank Options: 50/50, 60/40, 70/30
- Bolt-on Structural skids:
  - Optional fork lift pockets & bollards
  - Extended skids

- 3" Bottom Tank Fill System:
  - Front side mount systems
  - Rear mount systems
  - Dual systems for split compartment tanks
- Gauges – Leak & Sight Level
- Various hose / auto nozzle size options
- Stairs and catwalks

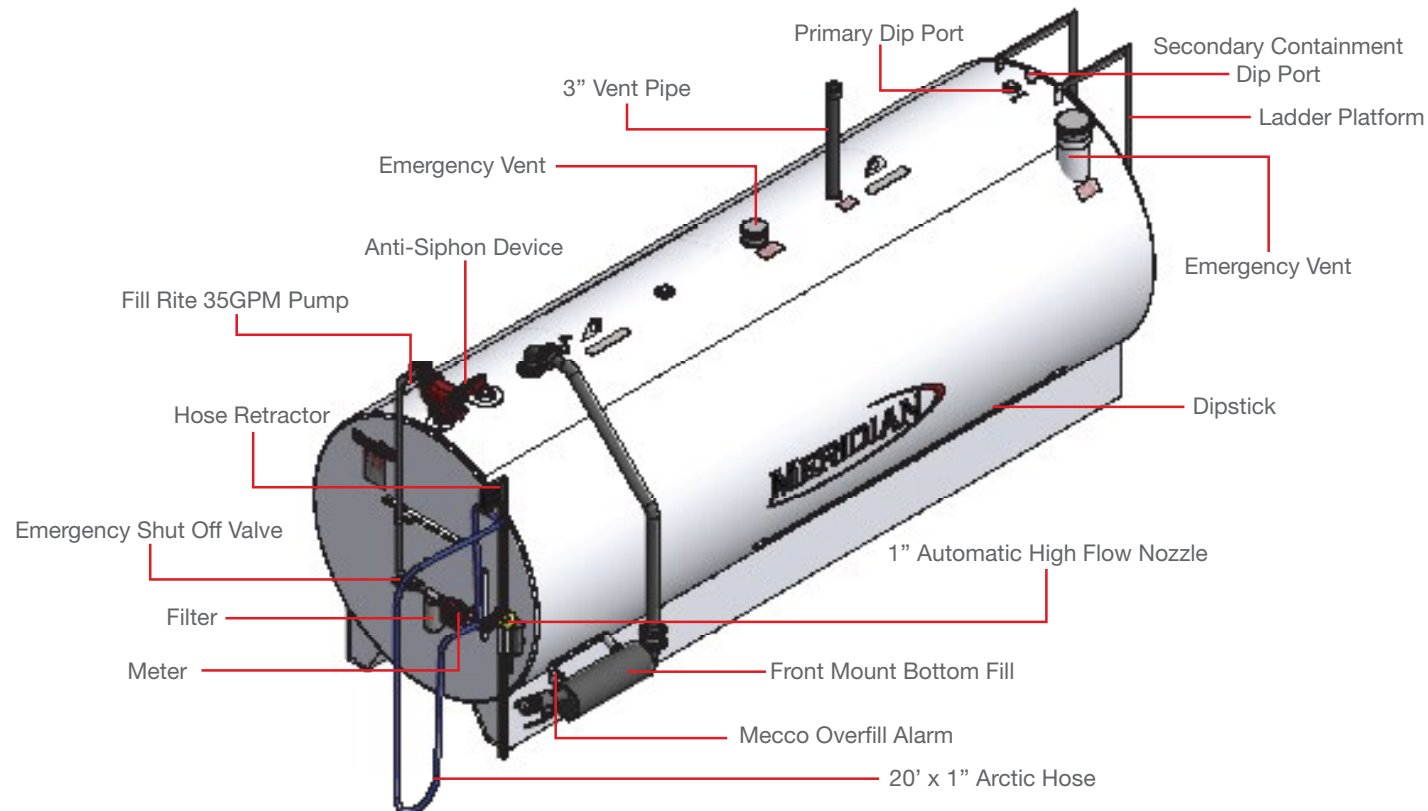

# ECONO FUEL TANKS

THE **NEW STANDARD** OF  
FUEL STORAGE: **MERIDIAN**  
**ECONO TANKS**

Meridian's 15,000L, 25,000L & 35,000L skidded Econo Tanks are the ideal storage for the producer looking to increase their on-farm fuel storage and to take advantage of refinery-direct deliveries & savings. Meridian Econo tanks feature a rugged V-skid, double wall construction and are equipped with highly functional standard features for the mid sized farm operation. Choose from smart value options that are similar to more expensive, larger volume commercial storage tanks.

MODEL	VOLUME		DIAMETER		LENGTH		WEIGHT	
	LITERS	IMP. GAL	CM	INCHES	CM	INCHES	KG	LBS
EDW-15000	14,900	3,278	229	90	379	149	3,197	7,049
EDW-25000	24,890	5,475	229	90	630	248	4,244	9,357
EDW-35000	35,051	7710	229	90	894	352	5,445	12,003

\*The criteria used in designing the Econo Tank Top Mount Pump Package was to reduce the distance of fuel lift out of tank to maximize pump life, avoid the frustration of vapour lock and achieve maximum GPM at the nozzle.

## STANDARD FEATURES:

CAN- ULC-S601-14 Approved | National-Provincial Fire Code Compliant  
 100% Secondary Containment  
 Emergency Vents  
 Spare Openings for future use  
 Ladder & platform combo  
 Tank side dip stick holder & dipstick  
 Convenient & quickly accessible, mid tank head, emergency shut off

Steel piping from top mount pump to the center of the tank head  
 Rugged V-skid  
 Powder coat finish

## OPTIONS

- 35 GPM High Volume Top Mount Pump Package\*
- Hose Retractor - OPW
- MECO Overfill Audible Alarm

- Front Side Mount Bottom Fill System c/w 3" Camlock
- Anti-Siphon Device – Fill Rite 700AS
- Nozzle Drip Pot
- 1" x 20' Arctic Hose c/w 1" High Flow Auto Nozzle
- Gauges – Leak & Sight Level
- Meter - Fill Rite FR901
- 1" CIM TEC Diesel Filter

# USED OIL TANKS

**MANAGE YOUR WASTE OIL** WITH  
**MERIDIAN USED OIL TANKS**

Meridian is proud to add Used Oil Tanks to our Fuel Tank Lineup. These double wall tanks are built to our high standards and are a safe, environmentally friendly and convenient way to store a variety of used oils such as motor oil, transmission oil, crankcase oil and hydraulic fluid.

MODEL	VOLUME		DIAMETER		LENGTH		HEIGHT	
	LITERS	IMP. GAL	CM	INCHES	CM	INCHES	CM	INCHES

MMIUO-4600	4607	1013	130	51	376	148	173	68

## STANDARD FEATURES:

- CAN- ULC-S652:2016 Approved
- National-Provincial Fire Code Compliant
- 100% Secondary Containment
- Emergency Vents
- Spare Openings
- Lockable Spill Container c/w:
  - Mesh screen to drain oil filters / cans
  - Suction pipe c/w 2" Cam Lock
- Lifting Lug
- Side Mounted Dipstick holder & dipstick
- Powder coat exterior

## OPTIONS:

- Tank Level Site Gauge
- Leak Detection Gauge
- Vent Pipe & Cap (2" x 78")
- Auxillary Tank Step
- Stair / platform package
- Skid Bases

## PUMP & HOSE OPTIONS

**FILL RITE 700V Package**

115V AC / 1/3 HP  
76 LPM / 20 GPM  
No meter  
Filter  
20' of 3/4" Arctic Hose  
Automatic Nozzle  
**Recommended For:**  
2300L – 4600L

**FILL RITE 701VL Package**

115V AC / 1/3 HP  
76 LPM / 20 GPM  
FR 807-L meter  
Filter  
20' of 3/4" Arctic Hose  
Automatic Nozzle  
**Recommended For:**  
2300L – 4600L

**FILL RITE 310VN Package**

115/230V AC / 3/4 HP  
132 LPM / 35 GPM  
FR 901-L meter  
Filter  
20' of 1" Arctic Hose  
Automatic Nozzle  
**Recommended For:** Econo  
Tanks 15,000-35,000L

**FILL RITE 311VL Package**

115/230V AC / 3/4 HP  
132 LPM / 35 GPM  
FR 901-L meter  
Filter  
20' of 1" Arctic Hose  
Automatic Nozzle  
**Recommended For:**  
4600L – 10,000L

**FILL RITE 319VL Package**

115/230V AC / 3/4 HP  
132 LPM / 35 GPM  
FR 900-L Digital Meter  
20' of 1" Arctic Hose  
1" High Flow Nozzle  
2 yr Warranty  
**Recommended For:**  
4600L – 10,000L

\*All Fill Rite Pumps have a 30 minute duty load, not recommended for fleet usage

\*GPM/LPM pump volume reflects the manufacturers specifications. Flow rates can be lower due to meter, filter & hose length.

**FE Petro Package STP33-VL2-0**

220V AC / 1/3 HP  
152 LPM / 40 GPM  
FR 901-L meter  
Micron particulate filter  
Manual shut off ball valve  
Audible overfill alarm (not included on pkg. pt#70067)  
Vent pipe c/w pressure vacuum vent cap  
**Recommended For:**  
15,000L-75,000L for gas  
**Hose & Nozzle Options Available:**  
3/4" x 20' Arctic Fuel Hose  
1" x 20' Arctic Fuel Hose  
1 1/4" x 20' Arctic Fuel Hose  
No second hose option

**FE Petro Package STP33-VL2-0**

220V AC / 3/4 HP  
152 LPM / 40 GPM  
FR 901-L meter  
Micron particulate filter  
Manual shut off ball valve  
Audible overfill alarm  
Vent pipe c/w pressure vacuum vent cap  
**Recommended For:**  
15,000L – 75,000L  
**Hose & Nozzle Options Available:**  
3/4" x 20' Arctic Fuel Hose  
1" x 20' Arctic Fuel Hose  
1 1/4" x 20' Arctic Fuel Hose  
3/4" Second Hose Option – Anti-siphon Line

**FE Petro Package STP33-VL2-0**

220V AC / 1 1/2 HP  
227 LPM / 60 GPM  
FR 901-L meter  
Micron particulate filter  
Manual shut off ball valve  
Audible overfill alarm  
Vent pipe c/w pressure vacuum vent cap  
**Recommended For:**  
50,000L – 75,000L  
**Hose & Nozzle Options Available:**  
3/4" x 20' Arctic Fuel Hose  
1" x 20' Arctic Fuel Hose  
1 1/4" x 20' Arctic Fuel Hose  
3/4" Second Hose Option – Anti-siphon Line

\*FE Petro Packages designed for extended duty load

\*GPM/LPM pump volume reflects the manufacturers specifications. Flow rates can be lower due to meter, filter & hose length.
