The driving force at Meridian Manufacturing is the committed ingenuity of employees and dealers, as well as relationships built with our valued customers. Our team takes pride in the work we do and are committed to delivering innovative and reliable storage and handling products.

For Meridian Manufacturing, integrity means setting standards in product and service excellence. As a proven industry leader, our commitment to product innovation and customer support is our greatest pursuit.

Our people and products deliver quality performance for you and your operation. We believe that when you are successful, so are we.

Protect the integrity of your seed and grain or move your fertilizer with Meridian Conveyors. Take advantage of the fast, gentle handling of your commodities with a 20” Chevron belt in a 10” tube. The low tension S drive allows the 20” belt to follow the contour of the tube. Fully enclosed belt return design, protects belt from the elements and eliminates the need for a truss system.
Meridian Bin Fill conveyors are the fast and efficient way to fill your bins. They are available in lengths up to 110’ in self-propelled gas, diesel, electric Drive or PTO versions, as well as a 120’ size PTO or electric drive. Other options include short or long intakes, self-propelled mover kits, or a mounted 20-15 swing away conveyor.

**Optional Features:**
- Gas, diesel, electric and PTO power sources available on the 80’ length
- Diesel, electric and PTO power sources available on the 90’, 100’ and 110’ lengths
- Electric and PTO power sources available on the 120’ length
- Electric clutch
- Poly-Flex down spout
- LED light kit
- 5’ low profile collapsible hopper intake

**Standard Features:**
- Collapsible hopper intake
- Adjustable discharge spout
- Truss free tube design
- 4-way hydraulic swing hitch on PTO models only

**Bin Fill conveyors with 20-15 Swing Out & mover**

**Optional Features:**
- Hydraulic Mover Kit available on the 80’, 90’, 100’ and 110’ lengths c/w the following standard features:
  - Joystick power steering
  - Hydraulic 91’ for transport
- hydraulic 91’ for transport
- Long Reaching Hydraulic Swing Hopper available on all lengths c/w the following standard features:
  - 5’ low profile collapsible hopper intake
  - Electric mover
  - Electric 91’ for transport
At up to 12,000BPH, Meridian Truck Load Conveyors are available in lengths of 20, 45 and 55 feet, and come with a 10” diameter tube and a 20” wide belt. They’re great for loading trucks on the farm, at the seed plant or filling the air seeder cart in the field. With its high capacity and gentle handling of your commodity you can save time and money with the Truck Loader Series.

**MAXIMIZE YOUR SPEED AND MINIMIZE YOUR MESS WITH MERIDIAN’S LOW PROFILE STRAIGHT HOPPERS**

**STANDARD FEATURES:**
- 5’ low profile collapsible hopper intake
- Adjustable discharge spout
- Heavy duty scissor lift undercarriage
- Truss free tube design

**OPTIONAL FEATURES:**
- Gas, diesel and electric power sources available for all lengths
- Electric clutch
- Poly-Flex down spout
- LED light kit

**MOVER KIT FEATURES**
- Hydraulic Conveyor Mover Kit for all lengths c/w the following standard features:
  - Joystick power steering
  - Hydraulic lift for transport
