

CONVEY-ALL[®] CST-39C

COMMERCIAL SEED TENDER CST-39

Convey-All's Commercial Seed Tenders 39-C, equipped with five compartments and fast conveyor load-out, provides your most efficient seed and fertilizer handling and transportation. Independent compartments eliminate cross contamination as you transport multiple fertilizer and seed varieties. The CST reduces seeding down time when it matters most, and provides user-friendly, year round versatility and efficiency.

5 COMPARTMENTS

Up to 5 independent compartments allow for versatility to deliver multiple seed and fertilizer products in one trip.
